SUBJECT: THE MILITARY SITUATION IN SOUTH VIETNAM

25X1

The fighting increased somewhat over the weekend. The biggest clashes involved two Communist ground attacks on South Vietnamese units in Pleiku Province.

The Communists also continued their shelling attacks on the Ton Le Cham Ranger base in Tay Ninh Province. In retaliation for the shellings, the South Vietnamese have begun air strikes against Loc Ninh and Communist positions in northern Tay Ninh. They plan to increase the air strikes if the Communists persist in their attacks on Ton Le Cham.
